NISSAN TRUCK CAPS

DRIVEN TO EXCEL... LEER ADVANTAGES

DRIVEN TO ADVENTURE

180 Haul loads of cargo with this mid-rise cap. Increased ceiling height adds 20% more interior room than cab-high models. The 180 includes 50/50 side windows with screens, a recessed LED third brake light, full-height framed rear door and two T-handle locks.

180CC
Titan King Cab

180CC

Driven to WORK! This commercial version of our 180 is reinforced for LEER commercial roof racks, offers optional fiberglass side doors, tool box options and more.

- **TRIMLESS EDGES**
Shaping, sanding and painting the truck cap edge takes more care and time than just covering it up with a vinyl trim strip - but the look is MUCH better! Ask about LEER caps with trimless, finished edges.
- **SKIRTED SIDES COVER BED RAIL CAPS**
Most LEER models cover the plastic bed rail caps installed by the factory on some new trucks. That means the side view of your truck is visually united in style and color, with no plastic rail cap showing.
- **FIBERGLASS BASE RAILS**
A structurally superior way to mount a LEER cap on your truck. The rails are integrally molded to the entire length of the cap. Unlike others who just screw or rivet rails to the cap, our method makes the cap a solid, one-piece unit.
- **J-CLAMP INSTALLATION**
The simple, effective alternative to other clamps for attaching a truck cap. LEER leads the industry in providing pockets for J-clamp installation.
- **DUPONT AUTOMOTIVE FINISH**
LEER paints your truck cap with authentic Dupont automotive finishes based on formulas used in the original plant where your truck was manufactured. We back up our paint with a Limited Lifetime Warranty.
- **THULE® RACK SYSTEMS**
Gear your cap for adventure with optional **THULE®** multi-purpose roof racks and accessories for outdoor equipment including bikes, skis, snowboards, kayaks, canoes and surfboards. Thule® Professional racks outfit your cap for commercial use. An exclusive partnership teams LEER with Thule®, the leading manufacturer of automotive rack products.
- **LEER KEYLESS REMOTE**
Works perfectly with the LEER Twist Handle, our keyless entry system uses your truck's original keyfob to lock and unlock your cap with the press of a button. **Optional.**
- **OVERHEAD LOCKING STORAGE BOX**
Add secure, lockable storage with this ceiling-mounted box that keeps valuables off the floor and out of sight. **Optional, available on most cap models.**

SPECIAL EDITION PACKAGES

GEAR UP & GO!
